

## *Kenny & the Dragon Book Report*

by Jean-Luc

The book is about a rabbit, Kenny and his family. Kenny is a very nice rabbit and he loves to read and do school work, but he has very few friends. His best friend is George, the town's book shop owner. One day, Kenny's Dad finds a dragon on their hill and Kenny and the dragon, Grahame, become friends. Soon after, Kenny discovers in the village that the dragon is wanted for "imminent extermination." Even worse, Kenny's friend George is the King's dragon slayer. The rest of the book is about how Kenny tries to save his dragon friend Grahame from getting killed.

BOOK REPORT BY JEAN-LUC CHRISTIE (CONT.)

I loved this book and give it a 10/10. I really liked the characters. Grahame was my favorite because he was funny and some of the things he likes, I like too. For example, chess. I liked that he was a different kind of dragon than usual. Kenny and the Dragon is about friendship and feelings. There wasn't anything in the book I didn't like. I recommended this book to my sister and Maman and I recommend it to anyone who likes dragons or to those who like talking animal characters.
