## Gooseberry Park

Kona (the dog), Stumpy (the squirrel) and Murray (the bat) are friends. The book is about Kona and Murray helping Stumpy and her babies. What I liked in the book was that Stumpy and her babies and Murray got a new home. I also liked it when Stumpy found Murray on the roof of Kona's house and then found her babies. I'd recommend this book to Julian because he's my best friend.
