

# JIP HIS STORY

By Katherine Paterson

*A Book Report by Blake*

Jip His Story is a book about a boy who was searching to find out who he was and where he came from. My favourite part was when Lucy hit Willie Bracket in the head with her lunch box. This was funny and it provided lots of action in the story.

I would give this story a 10 out of 10 - one of the main reasons is that it made my mother cry almost 3 times (her personal record). My favourite character was - you guessed it - Jip. It was amazing that he could carry the whole farm on his back. He helped everyone.

I liked the book because it was very exciting. However, it was also very sad. Sometimes it was hard to make progress in the book because there were a lot of words that I did not know. I would recommend the book to 10+ year olds and grade 5+ for school reading.
