

# JIP His Story

By Katherine Paterson

A Book Report by Teddy

**"Jip His Story" by Katherine Paterson is a story about different kinds of friendships. Two main characters in this story are Put and Jip and they are great friends. They were always looking out for each other. Put dies for Jip at the end. Jip was my favourite character. I liked him the best because he was nice and loyal.**

**My favourite part of the book was when Put died. My rating for this book is 8 out of 10. I did not like how always they were working on a farm all the time. It was not very exciting. It was cool when the stranger came. My least favourite character was the pale man.**
