

Charlie

A Home Child's Life in Canada

By Beryl Young

I think *Charlie: A Home Child's Life in Canada* is a very interesting book. It tells you about the exciting life of Charlie Harvey (in my case, my great grandfather.) I like this book because it was fascinating, and a mix between fact and fiction. My favourite character is Arthur because he is funny and cute. I loved the pictures, and just the story generally. I would recommend this book for ages 8-13. I would give this book 9 humbugs out of 10.
