Even with your permission, we will contact you before using close-up pictures of you or your child in any print material.

Field Trips Off-Site

As a complement to our programs, we will occasionally leave the Lyceum to venture outdoors into the surrounding neighbourhood by foot. At the Lyceum we believe that contact with the natural world, and with our community, enhances young artists' and writers' ability to make connections between our programs and the world outside our doors.

Please sign below to indicate that you have read and understood the above and that you grant permission for your child to leave the Lyceum under the supervision of Lyceum staff.
